Mission and Vision

- **ProNovis** is specialized in developing, manufacturing and marketing a variety of innovative dietary supplements, cosmetics and medicinal products (DCM) for different purposes and markets worldwide.
- We offer state of the art, high quality products, which are based on the latest scientific knowledge.
- **ProNovis** is committed to the outstanding quality, safety and effectiveness of its products.
- Our goal is constant growth of the company, by consistently expanding our portfolio with new product lines.
- Today **ProNovis'** portfolio is featuring a complete line of joint care products with uniquely effective formulations and an innovative combination of ingredients.
- Further developments are underway and new product lines from our vast array of products in the pipeline are projected to be launched in the near future.
- **ProNovis'** motto is to react fast and effectively to future market trends and the newest scientific breakthroughs in our strategic DCM sector worldwide.

Quality

- Quality and product safety always comes first for ProNovis. That applies for the excellency of our formulations to the premium quality and origin of the ingredients as well as to the constant surveillance of purity criterias and the certified production conditions according to **ISO-** and **GMP**-Guidelines.
- ProNovis GmbH is quality certified for the development, production and marketing of dietary supplements, cosmetics and medicinal products according to **DIN EN ISO 9001** and **DIN EN ISO 13485**.
- All products of ProNovis are **Made in Germany** and stand for guaranteed and controlled quality.

ProNovis – Excellency for International Markets

Think Global Act Local

- Our international presence working with local country partners meets our objective of providing **tailor-made solutions** for end users, worldwide.
- This ranges from the product itself; from its formulation through **packaging design, marketing and sales consulting**. Just talk to us about it. Together we will develop **the right local Pronovis** product range.

ArthroLine for the World

- We have appointed **ArthroLine distributors** in major countries of West and Eastern Europe, CIS, Middle East and Gulf States, East Asia and the Americas.
- If you would like to know how to buy our products or **join our distributor network** please send an e-mail to goodman@pronovis.net
